**Warranty.**

Gabinet&Closet Design's RR warrants that all of our products will be reasonably defect free in material and workmanship for a period of 3 months from date of shipment. Burls, pin knots, mineral streaks, sap, etc. are natural characteristics found in wood; if these characteristics fall within Gabinet&Closet Design's RR specifications, they will not be considered defects. Due to its inherent nature, wood will expand or contract depending on environmental conditions; Gabinet&Closet Design's RR does allow for some wood movement. We will not be liable for damages caused by improper handling, storage, assembling, finishing, or installation by the customer.

**Changes to Orders.**

We do not accept changes to or cancellations of orders once they have been placed. This is because orders go into production almost immediately after they are received and due to the automation of our system, we incur expense anytime we must interact with a confirmed order. For these reasons, we do not allow changes or cancellations. Please read and re-read your orders before submitting them.
